## CALL 4 ARTISTS

## TRANSFORM-ARTE 2025 „100 Years of Eisenstadt as the State Capital“

### About TRANSFORM-ARTE

TRANSFORM-ARTE is an art fair of a special kind. The background idea and motto is to transform through art. The artists are the center of attention. Every event has a main theme. The intention is to bring together artistic diversity and support artistic freedom. Established as an initiative of ART HOUSE PROJECT\* in 2017, our aim since is to present visual and performing artists, as well as writers and musicians from home and abroad, to open up the art scene in Burgenland and to support collaborations between artists.

**The main theme for TRANSFORM-ARTE 2025 is „100 Years of Eisenstadt as the State Capital – A Journey Through Time“.**

Eisenstadt, the state capital of Burgenland, will celebrate its 100th anniversary as the capital in 2025. In honor of this milestone, the continuation of the art fair TRANSFORM-ARTE is planned for the upcoming year under the theme "100 Years of Eisenstadt – A Journey Through Time."

*We invite artists to reflect on their roots and, particularly in relation to the capital Eisenstadt, explore the concept of HEIMAT (a sense of home), discover hidden gems in the details, and artistically engage with tradition, history, and visions for the future.*

### Date

August 29<sup>th</sup> - 31<sup>st</sup> 2025

### Event Location

The event location is the former Pädagogische Akademie Eisenstadt, a massive building constructed in the mid 60's. It was a place to train prospective teachers for over 40 years, until it was given up in 2008 and abandoned for almost a decade. Since 2017 however, TRANSFORM-ARTE brought it back to life. Located in the hills behind the Esterhazy Palace and the city park, the building and the surrounding area are an ideal playground for creativity in the heart of nature.
